

Mission Report – November/December 2021

To the church of God in Canada, grace, and peace to all from God our Father and the Lord Jesus Christ!

We are entering our sixth month in Brazil and thanks to our God, He has been blessing us since our arrival in our country. Yesterday (Saturday, 04th) we were in the Full Gospel convention and I was one of the guest speakers (this event was scheduled for August, but due to Covid it was transferred to December). We also had contacted Youth with a Mission in São Paulo, and had partnered with them to start a Jocum (the Portuguese word for YWM) in our property for training missionaries and evangelism outreach. João and Midiã will be looking after the ministry with another six workers.

I believe this will bring great help for different denominations to prepare and send out Christian workers to the world fulfilling the Lord's Great Commission. Next Saturday I will arrive again in the state of Bahia to meet Pastor Ron Morin for about two weeks mission in one of the poorest states of the country. We had been there in August teaching and preaching in the capital Salvador, but were unable to visit the interior as the local authorities were concerned about Covid 19 in these vulnerable areas

and didn't allow outsiders in their communities. However, as almost 65% of Brazilians got their second dose and 77% the first one, Pastor Ron and I will be able to travel and visit the churches and see how the Holy Spirit will guide us to help them in whatever capacity we can. After coming from Bahia, we will spend time with our family, but I will still preach in a church in Taubaté city in São Paulo. If it is the Lord's will, we will fly back to Canada on December 31st (We have to call the airline on the 22nd to confirm the flight, otherwise we might have to postpone the trip to a later date).

We don't know yet what will be our next mission, but we trust the Lord will guide us in the months ahead. I have a desire to visit some churches in NB in January 2022 for two weeks (if traveling is possible).

Please, remember to pray for the churches in Brazil. As I mentioned in my former letters the country has recovered slowly from the pandemic and many people had lost their jobs, large number of congregations had to close their places of worship unable to pay building expenses.

The government had approved an extension of the emergency help for about 17 million people in poor conditions of \$400.00 reais (about \$100.00/month), plus some discount in propane for their stove, and free prescribed medicine.

Unfortunately, following the global humanistic agenda, there is a massive attack by the secular media against Christianity and family values. Our present president is a professing Christian (the country was governed for almost thirty years by humanistic and communist political parties in prearranged fraudulent elections, responsible for

stealing of billions of dollars). These powerful and corrupted parties are working very hard to remove this leader from office as he proved his honesty and also cut the exploitation during his three years mandate. Saying this, please pray that righteousness will prevail in the country. Brazil can become one the greatest missionary nation in the world as almost 26% (about 55 million) are evangelicals, therefore, we need a revival after this pandemic to move the hearts of church leaders to preach with passion, teach with knowledge and go to the world in obedience of the Lord's command to carry the Good News for those who have not heard yet.

Also, we would like to thank all of you who had prayed for us and for messages that you had sent encouraging us since our arrival on July!

Please, continue praying for us as I had shared briefly what is ahead of us.

In Christ

Sincerely,

Pastor Aduino Rezende
