“They offer superficial treatments for my people's mortal wound. They give assurances of peace when there is no peace. We hoped for peace, but no peace came.

We hoped for a time of healing, but found only terror.’ “Jeremiah 8:11,15

**I AM THE
DRUG**

I am the one!

In the beginning, I make you live beyond this present world so full of problems. After a time I am the very thing that you cannot live without. After you have tried me, you're

mine for the rest of your life. You will give me everything I ask. At First you have money in your pocket to possess me. As soon as your desire for me increases you will have to work extra hours to get more of me. The more you have of me the weaker you become. After a time you will have no more strength to work, and will do anything to get money to buy me — Stealing or even killing to get me.

I am purposely destroying your life in every area — physically, morally and spiritually. I'll be the one to destroy your family, your health, your morals, your dreams, your

hope. I'll cause you to go to prison, to hospitals — and to hell. I have you trapped. You are in love with me. There is nothing in the world that can break our love affair. Doctors, methadone, detox, religion — none of these things can stop our relationship.

My only true enemy is Jesus Christ. Whatever I destroy, He restores. He has snatched away so many of my followers, and now I see them living so happily with Him. He has the power to neutralize me.

At Calvary He opened the only door that can take you from my hands. I came to kill you — He came to give you life. Unfortunately, He's still calling people like you to come under His healing protection.

one to leave me?***
